NOTES AND DISCLAIMERS

Your **Certificate of Coverage** provides you with important information about how to properly use your health insurance. It includes information about your health care benefits, including Prior Approval requirements for certain services.

This **Schedule of Out-of-Pocket Expenses** lists your costs when you receive health care. It also shows you the maximum benefit you will receive for any health care service.

Please read the Certificate and this Schedule to fully understand the benefits you are and are not entitled to receive.

Services are Covered when they are:

- **Medically/Clinically Necessary*** when provided by your Affiliated Physician or provided by a Participating Provider and when you have advance approval by us when we consider approval required (except in a Medical Emergency), or provided by an Out-of-Network Provider upon referral from your Affiliated Physician and with Prior Approval.

  * (As defined in the Certificate and according to Medical and Behavioral Health policies made by Total Health Care USA with the input of Physicians not employed by Total Health Care USA or according to reputable sources.)

- **Out-of-Network Services:** Costs associated with services obtained Out-of-Network (unless services were the result of a Medical Emergency or Accidental Injury or Urgent Condition as defined in your Certificate of Coverage) will not apply towards your Maximum Out-of-Pocket Expense, nor will they apply towards satisfying your Deductible or Coinsurance.
- **Emergency Services incurred Out-of-Network:** Copays, Deductibles, and Coinsurance will apply toward your Total Health Care USA Network obligations. Total Health Care USA will pay fee screens, Medicare fees, or Usual and Customary rates for out-of-network emergency services, including professional fees and ambulances. Any balance-billing by the provider if they do not agree to accept the reimbursement will be Member responsibility.
- If you seek services without a referral and Prior Approval when required, you will be required to pay for the cost of the services. You will also pay for services that are beyond those approved, beyond benefit maximums, or excluded from Coverage. You or your Physician must call (313) 871-2000 to obtain Prior Approval for services. Report emergency inpatient admissions to us as soon as reasonably possible after admission.

See Section V of your Certificate for Covered and Non-Covered Services. It includes the summary of Covered Preventive Health Care Services for which you are entitled without any cost share. Total Health Care USA's complete Preventive Health Care Guidelines are available from our Customer Service Department. Please call (313) 871-2000.
