

CERTIFICATION FOR INDUCED ABORTION

Medicaid, Adult Benefits Waiver (ABW), or MICHild payments for abortion services are limited to cases in which the life of the mother would be endangered if the pregnancy were continued or cases in which the pregnancy was the result of rape or incest. Although this procedure may be covered for a woman while enrolled in the ABW program, the beneficiary should also be applying for Medicaid. To receive payment for abortion services, a physician must determine and certify that the abortion is necessary to save the life of the mother or is to terminate a pregnancy that resulted from rape or incest.
